The More We Get Together

The more we get together,
Together, together,
The more we get together,
The happier we'll be.

Cause your friends are my
friends,
And my friends are your
friends.

The more we get together,
The happier we'll be.

Oh, the more we read togeth-
er,
Together, together,
The more we read together,
The happier we'll be.

Go to the library
Check out a good book
The more we read together,
The happier we'll be.
